

FreshGames Works Its Magic Again with Cubis® Creatures Launch On iOS
*Refreshing spin on award-winning PC puzzler results in rousing release of
Cubis Creatures for iPhone and iPad*

Columbus, OH – April 12, 2012 -- [FreshGames®](#), publisher of smash-hit online games, announces the immediate release of Cubis Creatures for iPhone and iPad. Offering a refreshing take on a series that has been enjoyed by millions, *Cubis Creatures*' captivates users with a blend of dynamic 3D gameplay and a cast of colorful characters. Set in an adorable whimsical world, each stage of *Cubis Creatures* challenges players to awaken fluffy creatures from their magical slumbers. To rouse these curiously cute characters, players must creatively stack, smash and match colorful cubes together to solve over eighty crafty puzzles.

"The *Cubis* series has been an extremely successful casual gaming franchise over the last decade, amassing a fan-base well into the millions," said Stephan Smith, Executive Producer of *Cubis Creatures*. "Fans have really enjoyed the unique puzzles; they are unlike any other game. In this latest version, we took what made the Cubis series a success and made it even more compelling by intensifying the action with a whole new arcade feel. These changes, combined with stunning visuals and completely new audio, make for a surreal experience."

Cubis Creatures features a slew of handcrafted, engaging puzzles and gratifying achievements while providing hours of charming and challenging fun. An assortment of specialty cubes, including color morphing osmosis and explosive laser cubes, intensify the fun as users progress from one impressive puzzle to the next. Players who want to flaunt their skills can do so with the new daily "Cubis Tournament", which lets users compete across the globe to see who's the world's top player. Additionally, FreshGames has recently partnered with real-life reward provider [Kiip](#), so fans should look forward to winning future tangible prizes for conquering the tournament leaderboards.

Cubis Creatures Features Include:

- 80 diverse levels guaranteed to never be the same twice
- Curiously cute creatures, including: Foobit, Gimbo, Big Blu, and more!
- Daily "Cubis Tournaments" for players to compete in across the globe
- A unique variety of specialty cubes to help make short work of each devious puzzle
- Additional level packs for \$0.99

Cubis Creatures for iPhone, iPod touch, and iPad will be Free on the Apple App Store for the [Lite](#) version or \$.99 for the [Full](#) version
